FAQs about Spring 2020 Grading

Please see the Academic Success Center’s page on Academic and Enrollment Policies

1. **How many courses can I take P/F this semester?**
   You may decide to change your grade from a letter grade to P/F or Withdraw for any and all courses this semester. You have until June 10 to make the change.

2. **What about General Education courses?**
   Ordinarily you must earn a C or better in your GEP courses. This semester, the University will accept a P, instead of a letter grade for all GEP courses, except ENGL 100.

3. **What about my major, minor, or certificate courses?**
   Most programs generally require you to earn a C or better in courses that are required for their programs. Many departments are accepting P grades this semester, but you must check with your advisor to make sure that the department has made that decision.

4. **What about prerequisites?**
   As with program requirements, departments will make this determination. Some departments may require a letter grade for prerequisites to help determine that students are fully prepared for the next course in a sequence.

5. **If I choose to withdraw from a class at the end of the semester, will it count as an attempt?**
   Yes, just as it ordinarily would.
